

RETURN POLICY

There is a 90-day return period from the date of purchase. All returns require your order number and original packaging. Once we have received your return, your refund will be processed and will automatically be applied back to your payment method.

You will be responsible for paying for your own shipping costs to return your item. Shipping costs are non-refundable. If you receive a refund, the cost of original shipping will be deducted from your refund. If you are shipping an item over \$50.00 you should consider using a trackable shipping service or purchasing shipping insurance. We are not responsible for returns that do not get back to us.

To be eligible for a return, your item must be unused and in the same condition and packaging that you received it in. In the event that a used item is returned, you will not receive a full refund.
